PROFESSIONAL SUMMARY

AI graduate from Zagazig University with hands-on experience in data analysis and customer-facing roles. Skilled in Python, SQL, Excel, Power BI, and Tableau, with practical experience in data cleaning and exploratory data analysis. Combines technical analytical skills with strong customer service and teamwork experience gained through retail work. Seeking to apply data analysis and AI knowledge to real-world problems in a professional environment.

EDUCATION

Zagazig University — Faculty of Computers and Artificial Intelligence

Department: Artificial Intelligence

Status: Graduate | GPA: 2.6

WORK EXPERIENCE

El Ghazawy Store — Cashier & Sales Associate

Summer 2025

- Worked as a cashier, handling transactions accurately and efficiently while maintaining a smooth customer checkout experience
- Transitioned into a sales associate role, assisting customers with product selection and providing attentive customer service
- Developed strong communication, time management, and problem-solving skills in a fast-paced retail environment

CERTIFICATIONS

Introduction to Modern AI

Issued by: E-Learning Competence Center (ELCC) — Cisco Networking Academy

Date: March 28, 2026

TECHNICAL SKILLS

Python • SQL • Excel for Data Analysis • Power BI • Tableau • Data Cleaning • Exploratory Data Analysis (EDA) • Data Visualization

SOFT SKILLS

Analytical Thinking • Problem Solving • Attention to Detail • Team Collaboration • Time Management • Fast Learner • Customer Service

COURSES & TRAINING

- Python for Data Analysis
- Excel for Data Analysis
- Power BI
- Tableau
- SQL & Database Fundamentals
- Data Warehouse
- Advanced Topics in AI
- Machine Learning for Data Analysts — NTI (National Telecommunication Institute)

PROJECTS

Data Cleaning & Exploratory Data Analysis

- Cleaned raw datasets using Python to ensure data integrity and consistency
- Performed comprehensive exploratory data analysis (EDA) to uncover patterns and trends
- Created visualizations and extracted actionable insights from data

Personal Portfolio / GitHub Projects

- Built and managed multiple coding projects demonstrating data analysis skills
- Uploaded and maintained well-documented code repositories on GitHub

LANGUAGES

Arabic: Native | English: Good
